

Effective immediately we are introducing new temporary measures to help protect the spread of the coronavirus. These measures are outlined below:

All interactions and services we provide will only be conducted via telephone or email. We will not be conducting any face to face business. That means please do not come to our office in person; we will not be able to speak to you in person face to face. All the information you need to communicate with us is explained in this note that you are reading.

For the time being the quickest way to contact us is by email. We may be unable to come to work for prolonged periods of time, so please use email to connect with us.

Cathie.Stalkie@cfhowesound.com

If you really need to speak to us, please email us and we will call you back as soon as we can. Please call 604-815-1792 for anything urgent. This is the cellphone for our manager, Jeff Dawson.

We recognize that these new measures are an inconvenience to everyone, but we believe they are necessary and warranted to help do our part to limit the potential spread of this virus.
